How Are You Feeling?

1. Do you have any of the following:
   - fever
   - cough
   - shortness of breath
   - sore throat
   - congestion
   - body aches
   - nausia/vomiting
   - diarrhea
   - recent loss of taste and/or smell

2. Have you or anyone you've been around tested positive for COVID-19 in the last 2 weeks?

If the answer to either question is yes...
we humbly ask you to please return home to live-stream the Liturgy out of an abundance of caution to prevent the possible spread of any illness. You may live-stream directly from our website at: www.stpaulsirvine.org
