Director Thomaida Hudanish, via Zoom Video Conferencing

Tuesday, October 17th,
6:00 - 7:00 p.m., Pacific Time

Better Parish Websites with Nolan Brown

After word-of-mouth, the #1 way that people find the Orthodox Church today is through the parish website. Nolan Brown is a Cloud Solutions Architect with Parish Life Connect and a parishioner at St. Spyridon Greek Orthodox Church in Loveland, Colorado. Together we will review elements of a great parish website, tour our top ten sites, and learn how your parish can achieve the results you desire, even without local design or webmaster talent.
